ICT4D - Connecting People For A Better World. Lessons, Innovations and Perspectives of Information and Communication Technologies in Development

Citation:

Work data:
ISBN: 3-03798-065-6
Type of work: Book

Categories:
ICT4D

Abstract:
This book aims to make the outstanding wealth of knowledge compiled during the ICT4D Forum available to a wider audience. It is also intended to stimulate interest and awareness beyond the core ICT circles, and especially to reach those development organisations which are still sceptical about ICT4D because of its perceived technical focus.
